**BALTIMORE CITY
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
FAMILY or HOUSEHOLD INCOME
VERIFIABLE CERTIFICATION**

Information on your annual family or household income is required to determine your eligibility to benefit from some Community Development Block Grant (CDBG) Program assisted activities. Each applicant is required to provide information regarding the number of persons in their family or household including the respective total annual gross income. Information provided is subject to verification by representatives of the City of Baltimore and the U.S. Department of Housing and Urban Development (HUD).

NOTE: "Income" is the total annual income of all family or household members as of the date of application. Income of all persons in the family or household must be included in calculating family or household income whether or not all family or household members receive assistance. Estimate the annual income by projecting the prevailing rate of income of each person at the time assistance is provided for the family or household. Report all income sources that you would include on a Federal income tax return.

INSTRUCTIONS:

- 1) Circle the number of persons in your family or household (adults and children, including you).
- 2) Stay in that same column with your family or household size and look at that column's income limits.
- 3) Circle the income limit that is closest to your family or household gross income, but is NOT LESS THAN your family or household income. Remember household income includes the monies earned and/or benefits received by all household members.
- 4) Sign and date the bottom to certify your family or household size and income.
